(Berklee Masters). Culled from exclusive interviews from Berklee Today , the alumni magazine of Berklee College of Music, this collection of candid interviews with such illustrious alumni as Quincy Jones, Branford Marsalis, Steve Vai, Paula Cole, Mike Stern, Bill Frisell and many others is a gold mine of wisdom, humor and insight. Read about the unique, unexpected challenges that success can bring.

Reviews of the Masters of Music: Conversations with Berklee Greats (Music Masters) by Andrew Taylor, Mark Small

Nea

Very clear insight to one of the top music schools that actually produce excellent grads. Loved it. Knew Emily and miss her very much.

Hirah

"Masters of Music" is by far one of the best books I have ever read. Mark Small and Andrew Taylor ask the right questions of a variety of Berklee alumni. Small and Taylor uncover the untold and provocative stories of music legends such as a George Martin, Quincy Jones, Paula Cole and members of Aerosmith. Each interview is prefaced by the history of each artist and what follows are truly captivating answers to questions I had never considered. From the changing use of technology in the music world, to the relationship between managers and artists, "Masters of Music" is truly a captivating and well-written collection of insightful interviews that are sure to be read more than once.

Sat

I am a big fan of Steve Vai and I really enjoyed reading his interview in this book. You just can't go wrong with this book. Cheers.
