Whether you're in the duck blind or simply want to know what's swimming past your dock, you'll appreciate this addition to your field guide collection. It features color photos and identification tips for all 59 species of ducks, geese, swans and other water birds found in Minnesota. A quick-compare section shows in-flight and on-the-water silhouettes for fast, side-by-side comparison, while flight photos and flock patterns are especially useful for hunters. Easy waterfowl identification and fascinating facts are right at your fingertips!
